SCHOOL

## PRESCHOOL HALF-DAY PICK UP PROCEDURE

Due to roadwork in our neighborhood, we have modified the pick up procedure for Fall 2022. Please expect that there will be changes as the construction continues to move down Granville Street.

1. Approach the school on Granville Street heading east (toward downtown) and proceed past the school.
2. Just past Hickman's Barber Shop, turn left into the Methodist Church parking lot to turn around.
3. Turn right onto Granville Street and begin lining up in front of the school building's double green doors as indicated by the dotted green line.

### A NOTE ABOUT PICK UP ZONES

Please pull forward as far as possible within the pick up zones. Once all within the zone are fully stopped, children will be allowed to enter vehicles. Then, once all children are safely in their vehicles, the entire group will be released to exit.

1. Due to traffic/space constraints and to be good neighbors to other businesses and organizations on our block, please **DO NOT LINE UP PRIOR TO 11:15am**. In addition, please **DO NOT BLOCK** the parking lot entrances/exits while in line.

**Please be kind, courteous and patient. Call the school office with any questions. 740.345.4049**
